Hi Phil....I briefed my supervisor about our discussion yesterday and he doesn't think we need to have another call this morning. We're okay for now but I'm sure we will be speaking again on this subject. You were not involved when we cited Parkway a while back for CFC/HCFC violations for shredding appliance without first recovering refrigerants. That case took several years to settle. Hopefully now that NJDEP is involved in this case, it will settle sooner. Thanks again.

Joe
